2021 YUEN TAI MASTER DISTRIBUTION AGREEMENT AND 2021 SZ KINGWORLD LIFESHINE MASTER DISTRIBUTION AGREEMENT

Due to the increase in demand in Imada Red Flower Oil by our independent sub-distributor and consequently additional orders are expected to be placed with SZ Kingworld Lifeshine by our Group in the second half of 2021, the Board anticipates that the proposed annual caps for the transactions contemplated under the 2020 Master Distribution Agreements will exceed the existing annual caps for the two years ending 31 December 2022 under the 2020 Master Distribution Agreements. In addition, taking into account the expected market demand of the Yuen Tai Products under the current market condition, the Board evaluated the proposed annual caps for the transactions contemplated under the 2020 Yuen Tai Master Distribution Agreement and the term of the 2020 Yuen Tai Master Distribution Agreement. Therefore, on 1 April 2021 (after trading hours) (1) HK Kingworld, a wholly-owned subsidiary of the Company, entered into the 2021 Yuen Tai Master Distribution Agreement with Yuen Tai for the purchase of the Yuen Tai Products for a term commencing from 27 May 2021 or the date on which the 2021 Yuen Tai Master Distribution Agreement and the proposed annual caps for the transactions under the agreement are approved by the Independent Shareholders (whichever is later) and ending on 31 December 2023 (both days inclusive); and (2) SZ Kingworld, a wholly-owned subsidiary of the Company, entered into the 2021 SZ Kingworld Lifeshine Master Distribution Agreement with SZ Kingworld Lifeshine for the purchase of the SZ Kingworld Lifeshine Products for a term commencing from 27 May 2021 or the date on which the 2021 SZ Kingworld Lifeshine Master Distribution Agreement and the proposed annual caps for the transactions under the agreement are approved by the Independent Shareholders (whichever is later) and ending on 31 December 2023 (both days inclusive).

A. BACKGROUND

Reference is made to the announcements of the Company dated 20 November 2019 and 24 December 2019 and the circular of the Company dated 31 December 2019 in respect of the continuing connected transactions with Yuen Tai and SZ Kingworld Lifeshine contemplated under the 2020 Yuen Tai Master Distribution Agreement and the 2020 SZ Kingworld Lifeshine Master Distribution Agreement, respectively.

Due to the increase in demand in Imada Red Flower Oil by our independent sub-distributor and consequently additional orders are expected to be placed with SZ Kingworld Lifeshine by our Group in the second half of 2021, the Board anticipates that the proposed annual caps for the transactions contemplated under the 2020 Master Distribution Agreements will exceed the existing annual caps for the two years ending 31 December 2022 under the 2020 Master Distribution Agreements. In addition, taking into account the expected market demand of the Yuen Tai Products under the current market condition, the Board evaluated the proposed annual caps for the transactions contemplated under the 2020 Yuen Tai Master Distribution Agreement and the term of the 2020 Yuen Tai Master Distribution Agreement. Therefore, on 1 April 2021 (after trading hours) (1) HK Kingworld, a wholly-owned subsidiary of the Company, entered into the 2021 Yuen Tai Master Distribution Agreement with Yuen Tai for the purchase of the Yuen Tai Products for a term commencing from 27 May 2021 or the date on which the 2021 Yuen Tai Master Distribution Agreement and the proposed annual caps for the transactions under the agreement are approved by the Independent Shareholders (whichever is later) and ending on 31 December 2023 (both days inclusive); and (2) SZ Kingworld, a wholly-owned subsidiary of the Company, entered into the 2021 SZ Kingworld Lifeshine Master Distribution Agreement with SZ Kingworld Lifeshine for the purchase of the SZ Kingworld Lifeshine Products for a term commencing from 27 May 2021 or the date on which the 2021 SZ Kingworld Lifeshine Master Distribution Agreement and the proposed annual caps for the transactions under the agreement are approved by the Independent Shareholders (whichever is later) and ending on 31 December 2023 (both days inclusive).

The 2021 Yuen Tai Master Distribution Agreement was negotiated and entered into on an arm's length basis and on normal commercial terms. The Group will satisfy the consideration of such purchases by its internal resources.

The prices of the Yuen Tai Products to be purchased by the Group will be based on the prevailing market prices of similar products and the unit prices of the Yuen Tai Products from time to time and will be no less favourable to the Group than those terms offered by other independent third parties suppliers, where there is comparable product available in the market.

The actual amounts, types, unit prices, delivery dates and methods of delivery of the Yuen Tai Products to the Group will be subject to individual orders placed by the Group and accepted by Yuen Tai. To the extent that a comparison can be made (subject to similar nature, quality, quantity of purchase and conditions of the products and/or services), the Company and/or HK Kingworld shall use its best efforts to obtain price quotations from at least two independent third parties for comparison purposes (if applicable), to determine whether the prices and/or terms offered by Yuen Tai are fair and reasonable, and are similar to or more favourable than those offered by the independent third party(ies). The Group shall have the right to terminate or cancel the transactions if the terms and conditions are less favourable to the Group than those offered by other independent third parties suppliers.

40% of the purchase price shall be paid in advance by the Group within three days after the Group has placed an order for each batch of products and the remaining balance of the purchase price shall be paid upon delivery of the products and the passing of the product inspection.

The Directors are of the view that there was no transaction under the 2019 Yuen Tai Master Distribution Agreement for the year ended 31 December 2019 due to the delay in obtaining production certification by Yuen Tai for the supply of the Yuen Tai Products, which was an uncontrollable one-off incident. The related production certification was obtained in early November 2019 and is valid till 29 November 2023. The Directors do not foresee any delay in obtaining/renewing the production certificate upon the expiry of the existing production certificate; and

9. Termination of the 2020 SZ Kingworld Lifeshine Master Distribution Agreement:

Upon the commencement of the term of the 2021 SZ Kingworld Lifeshine Master Distribution Agreement, the 2020 SZ Kingworld Lifeshine Master Distribution Agreement shall be terminated with immediate effect.

D. REASONS FOR AND BENEFITS IN ENTERING INTO THE 2021 MASTER DISTRIBUTION AGREEMENTS

The Group is principally engaged in the distribution of pharmaceutical and healthcare products in the PRC. The pharmaceutical and healthcare products distributed by the Group are supplied by various suppliers including Yuen Tai and SZ Kingworld Lifeshine. The Directors consider that a long term and steady relationship with these suppliers are of importance to the Group as it enables stability in the supply to the Group which in turn avoids any unnecessary disruption to the Group's business and guarantees a smooth operation of the Group.

Due to the increase in demand in Imada Red Flower Oil by our independent sub-distributor and consequently additional orders are expected to be placed with SZ Kingworld Lifeshine by our Group in the second half of 2021, the Board anticipates that the proposed annual caps for the transactions contemplated under the 2020 Master Distribution Agreements will exceed the existing annual caps for the two years ending 31 December 2022 under the 2020 Master Distribution Agreements. In addition, taking into account the expected market demand of the Yuen Tai Products under the current market condition, the Board evaluated the proposed annual caps for the transactions contemplated under the 2020 Yuen Tai Master Distribution Agreement and the term of the 2020 Yuen Tai Master Distribution Agreement. Therefore, (1) HK Kingworld entered into the 2021 Yuen Tai Master Distribution Agreement with Yuen Tai; and (2) SZ Kingworld entered into the 2021 SZ Kingworld Lifeshare Master Distribution Agreement with SZ Kingworld Lifeshine.

By entering into the 2021 Master Distribution Agreements, the Group can maintain long term relationships with Yuen Tai and SZ Kingworld Lifeshine.

Pursuant to the 2021 Master Distribution Agreements, the products to be purchased by the Group are on an exclusive basis and the prices of such products should be on normal commercial terms and no less favourable than those obtained from independent third parties. As such, the Group may gain competitive advantage in terms of costs. As the Group will act as the exclusive distributor for distribution of such products in the Greater China, the Group may avoid competition with other distributors with respect to the same products in the market.

In light of the above factors, the Directors (excluding Mr. Zhao and Ms. Chan, who have abstained from voting on the relevant board resolutions due to their interest in the 2021 Master Distribution Agreements and the independent non-executive Directors) consider that the terms under each of the 2021 Master Distribution Agreements and their respective proposed annual caps for the three years ending 31 December 2023 are fair and reasonable and in the interests of the Shareholders as a whole. The opinion of the independent non-executive Directors will be formed after taking into account the advice to be provided by the Independent Financial Adviser, which will be set out in the circular to be despatched to the Shareholders on or before 27 April 2021.
